About

The Wanderlust Edit

Curated Travel, *Tailored* for you

At The Wanderlust Edit, we specialise in quietly luxurious, consciously curated travel – with a strong foundation in professionalism, personalisation, and protection. Whether your retreat unfolds in the Highlands, the Balearics, Bali or beyond, we offer bespoke support so you can focus on transformation, not travel logistics.

Founded by Yvette Scott, The Wanderlust Edit is an affiliate of Colletts Travel, part of Global Travel Collection, and a proud member of Virtuoso.

Every journey we plan is ABTA and ATOL protected.
